

**REPORT OF SURVEY VISIT
 ARMY PRACTICAL NURSE PROGRAM-PHASE 2 SITE
 AT
 FORT LEWIS, WASHINGTON**

SUMMARY OF REQUEST:

Consider the report of the March 29, 2006 survey visit to the Army Practical Nurse Program Phase 2 site at Fort Lewis, Washington.

HISTORICAL PERSPECTIVE:

Year	Approval Status	NCLEX-PN® Pass Rate	Number of First-Time Candidates (Passed/Total)
2005	Full	94.84 %	426 / 449
2004	Full	95%	309 / 325
2003	Full	89%	260 / 292

- Texas has served as the central approval authority for all US Army Practical Nurse Course since January 1986.
- The Army offers a phased vocational/practical nursing program. Phase one is offered at Ft. Sam Houston, Texas. All soldiers entering the nursing program, enter through Phase one. At the end of phase one, the soldiers/students are separated into cohorts and assigned to select Phase two sites for completion of the didactic and clinical portions of the program.
- The phase two sites are located at Fort Sam Houston, Texas, Fort Bliss, Texas, Walter Reed Army Hospital, Washington, D.C., and Fort Lewis, Washington.
- The last routine survey visit of the Ft. Lewis program occurred in 2000.

SUMMARY OF SURVEY VISIT (see Attachment 1 for complete report):

The school is located at the historical site of the old Madigan Hospital on Ft. Lewis, Washington. The site director, LTC. Michael Sadler, Deputy Director, Ms Suzette.Reyes, NCOIC SFC Looper, and LTC Nerges were present during the survey visit and provided additional information to board staff. Student interviews also facilitated the survey. See attachment one for complete survey findings.

214.5 Philosophy/Mission and Objectives/Outcomes -criteria met

214.6 Administration and Organization-

- The organizational chart reflects placement of the Phase 2 site within the US Army Medical Department Center and School, Academy of Health Sciences.

214.7 Faculty Qualifications and Faculty Organization -

- The faculty has initiated an Academic Readiness Plan which has purported to reduce attrition to a low of 5%.

214.8 Students- Criteria met

214.9 Program of Study- Criteria met

214.10 Management of Clinical Learning Experiences and Resources - Criteria met

- The program has access to a Simulation Center which includes a center director and staff with the qualifications and capability to monitor student progress in the center. However, the center is underutilized by the program.

214.11 Facilities, Resources and Services-

- On the day of survey 14/15 desk top computers were functional. This number is inadequate to meet the needs of the current 74 students.
- There is physical and online access to the Madigan Army Medical Center library.

214.12 Records and Reports- Criteria Met

214.13 Total Program -Criteria Met

PROS AND CONS

Pros:

- Mix of civilian and military faculty which provides continuity
- Support of the Madigan Consolidated Education Department
- Adequate physical space is available to accommodate student learning
- Command is responsive to student needs by implementing support systems such as the Academic Readiness plan

Cons:

- Insufficient hardware to support student needs.

STAFF RECOMMENDATION:

Move to accept the report of findings of the survey visit for Army Practical Nurse Program Phase 2 site at Fort Lewis, Washington and issue the commendations, recommendations, and requirements to be met based on staff recommendation, as indicated in the attached letter (Attachment Two).

Attachment One

BOARD OF NURSE EXAMINERS FOR THE STATE OF TEXAS
 SURVEY VISIT REPORT
 (VN Education Programs)

NAME OF NURSING PROGRAM: Army Practical Nurse Program Phase 2 Ft. Lewis, Washington

DIRECTOR OR COORDINATOR: LTC Michael Sadler

REASON FOR BNE SURVEY: Routine 6 year site visit

DATES: March 29, 2006

SURVEY VISITOR(S): Betty Sims, RN, MSN Robbin Wilson RN, MSN

BNE APPROVAL STATUS: FULL DATE OF LAST BNE SURVEY VISIT: 11/2000

OTHER (Name of Accrediting Agency): COE

VOLUNTARY ACCREDITATION: N/A

NLNAC: YES _____ NO _____ PERIOD OF ACCREDITATION: From _____ to _____

TYPE OF ACCREDITATION (Initial, Full, Warning, etc.)

DATE OF MOST RECENT VISIT:

STANDARD/CRITERIA	EVIDENCE	COMMENTS
§214.1 General Requirements		
(a) The Director or Coordinator and faculty are accountable for complying with the Board's rules and regulations and the Nursing Practice Act.		Criteria Met
§ 214.4 Approval		
(c)(2)(A) Eighty percent (80%) of first-time candidates who complete the program of study are required to achieve a passing score on the NCLEX-PN examination.	2005 94.84% 2004 95% 2003 89% 2002 86% 2001 90%	Criteria Met
§ 214.5 Philosophy/Mission and Objectives/Outcomes		
(a) The philosophy/mission and objectives/outcomes of the vocational nursing education program shall be consistent with the philosophy/mission of the controlling agency. They shall reflect the diversity of the community served and shall be consistent with professional, educational, and ethical standards of nursing.	All required components present	Criteria Met
(b) Program objectives/outcomes derived from the philosophy/mission shall reflect the <i>Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate Degree (Dip/ADN), Baccalaureate (BSN), September 2002.</i>		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(c) Clinical objectives/outcomes shall be stated in behavioral terms and shall serve as a mechanism for evaluating student progression.		Criteria Met
(d) The conceptual framework shall provide the organization of major concepts from the philosophy/mission of the program that provides the underlying structure or theme of the curriculum and facilitates the achievement of program objectives/outcomes.		Criteria Met
(e) The faculty shall periodically review the philosophy/mission and objectives/outcomes and shall make appropriate revisions to maintain currency.		Criteria Met
§ 214.6 Administration and Organization		
(a) The controlling agency shall be licensed or accredited by a Board-recognized agency. (b) There shall be an organizational chart indicating lines of authority between the vocational nursing education program and the controlling agency.		Criteria Met
(c) The program shall have comparable status with other educational units within the institution (controlling agency).		Criteria Met
(d) The controlling agency shall: (1) be responsible for satisfactory operation of the vocational nursing program; (2) meet rules and regulations as stated in this chapter; (3) provide the number of faculty necessary to meet minimum standards set by the Board and to insure a sound educational program; (4) provide for suitable classroom and clinical facilities; (5) provide secretarial assistance; (6) provide sufficient funds for operation and maintenance of the program to meet requirements set by the Board; and (7) select and appoint a qualified registered nurse director or coordinator for the program who meets the requirements of the Board. The director shall: (A) hold a current license or privilege to practice as a registered nurse in the state of Texas; (B) have been actively employed in nursing for the past five years, preferably in supervision or teaching. If the director has not been actively employed in nursing for the past five years, the director's advanced preparation in nursing, nursing education, and nursing administration and prior relevant nursing employment may be taken into consideration by the Board staff in evaluating qualifications for the position; (C) have a degree or equivalent experience that will demonstrate competency and advanced preparation in nursing, education, and administration; and (D) have had five years of varied nursing experience since graduation from a professional nursing education program.		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
<p>(e) When the director or coordinator of the program changes, the director or coordinator shall submit to the Board office written notification of the change indicating the final date of employment. The controlling agency shall ensure that:</p> <p>(1) a new director or coordinator qualification form is submitted to the Board office for approval prior to being hired at an existing program or a new program;</p> <p>(2) the director may have responsibilities other than the program provided that an assistant program coordinator/lead instructor is designated to assist with the program management;</p> <p>(3) a director with responsibilities other than the program shall not have major teaching responsibilities; and</p> <p>(4) written job descriptions exist which clearly delineate responsibilities of the director, coordinator and lead instructor, as appropriate.</p>	<p>LTC Sadler will be rotating out of the Practical Nurse Program in the summer of 2006. A new program director has not been identified.</p> <p>Ms. Reyes is the Deputy who assists with the day to day program management.</p> <p>An innovative job description has been developed which identifies the Deputy position as a civilian. This ensures continuity for the program.</p>	<p>Criteria Met</p> <p>Commendation: Creation of the civilian position of deputy to ensure continuity of the practical nursing program and mitigate the effects of frequent turnover of military personnel.</p>
<p>(f) In a fully approved vocational nursing education program, if the individual to be appointed as director or coordinator does not meet the requirements for director or coordinator as specified in subsection (d)(7) of this section, the administration is permitted to petition for a waiver of the Board's requirements, according to Board guidelines, prior to the appointment of said individual.</p>		<p>Criteria met</p>
<p>(g) A newly appointed director or coordinator of a vocational nursing education program shall attend the next scheduled orientation provided by the board staff.</p>		<p>Criteria met</p>
<p>(h) The director or coordinator shall have the authority to direct the program in all its phases, including approval of teaching staff, selection of appropriate clinical sites, admission, progression, probation, and dismissal of students. Additional responsibilities include but are not limited to:</p> <p>(1) providing evidence of faculty expertise and knowledge to teach curriculum content;</p> <p>(2) acting as agent of the Board and issuing temporary permits to eligible graduates, upon completion of the program;</p> <p>(3) verifying student's completion of program requirements on the Affidavit of Graduation; and</p> <p>(4) completing and submitting the Annual Report to the Board office by the required date.</p>		<p>Criteria met</p>
<p>§ 214.7 Faculty Qualifications and Faculty Organization</p>		
<p>(a) There shall be written personnel policies for nursing faculty that are in keeping with accepted educational standards and are consistent with the policies of the controlling agency. Faculty policies shall include, but not be limited to: qualifications, responsibilities, performance evaluation criteria, and terms of employment.</p> <p>(1) Policies concerning workload for faculty and the director or coordinator shall be in writing.</p> <p>(2) There shall be written plans for faculty orientation, development and evaluation.</p> <p>(3) There shall be orientation of new faculty members at the onset of employment.</p> <p>(4) A variety of means shall be used to evaluate faculty performance such as self, student, peer and administrative evaluation.</p>		<p>Criteria met</p>

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(b) Minimum Teaching Personnel - there shall be a minimum of one full-time nursing instructor for the program A director/coordinator without major teaching or clinical responsibilities shall not be considered a full-time instructor. Use of part-time instructors is permissible.		Criteria met
(c) Faculty Qualifications and Responsibilities. (1) Documentation of faculty qualifications shall be included in the official files of the program. Each faculty member shall: (A) hold a current license or privilege to practice nursing in the State of Texas; (B) have been actively employed in nursing for the past three years. If the instructor has not been actively employed in nursing for the past three years, the instructor's advanced preparation in nursing, nursing education, and nursing administration, and prior relevant nursing employment may be taken into consideration in evaluating qualifications for the position; and (C) have had three years varied nursing experiences since graduation.	The program director and NCOIC relate a concern about the potential for faculty being pulled to fulfil Army duties which may prevent effectiveness in the program.	Criteria Met see 214.7(C) (8)
(2) In fully approved programs, if an individual to be appointed as faculty member does not meet the requirements for faculty as specified in subsection (c) of this section, the director or coordinator is permitted to petition for a waiver of the Board's requirements, according to Board guidelines, prior to the appointment of said individual.		N/A
(3) Faculty shall be responsible for: (A) supervision of students in clinical learning experiences; (B) all initial nursing procedures in the clinical area and ascertain that the student is competent before allowing the student to perform an actual nursing procedure independently; (C) developing, implementing, and evaluating curriculum; and (D) participating in the development of standards for admission, progression, probation, dismissal of students, and participation in academic guidance and counseling.	The program has instituted an "Academic Readiness" plan for incoming students. The plan which includes study skills will be expanded to test taking skills in the near future. The plan has purported to reduce attrition to a current low of 5%. RN co teachers are identified for those content areas taught by LVN/LPNs.	Criteria Met COMMENDATION Implementation of the Academic Readiness plan.
(4) Non-nursing faculty are exempt from meeting the faculty qualifications as long as the teaching assignments are not nursing didactic or clinical courses.		N/A
(5) Clinical preceptors shall be responsible for providing clinical instruction and/or supervision when a program faculty member is unavailable in clinical sites. The clinical preceptor shall meet the requirements of Rule 214.10(k)(1).		Criteria Met
(6) Substitute faculty may be employed to meet emergent program needs. Substitute faculty beyond ten consecutive working days and/or on an interim basis shall meet qualifications as specified in Rule 214.7(c)(1).		Criteria Met
(7) Part-time faculty may participate in all aspects of the program. Clear lines of communication of program policies, objectives and evaluative criteria shall be included in policies for part-time faculty.		Criteria Met
(8) Military faculty - Federal laws and regulations regarding licensure of military nursing personnel shall apply to Texas based military faculty members functioning within vocational nursing programs.		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
<p>(d) The faculty shall meet regularly and function in such a manner that all members participate in planning, implementing and evaluating the nursing program. Such participation includes, but is not limited to the initiation and/or change in program policies, personnel policies, curriculum, utilization of affiliating agencies, and program evaluation. Minutes of faculty organization and meetings shall document the reasons for actions and the decisions of the faculty and shall be available for reference.</p>		Criteria Met
<p>§214.8 Students</p>	<p>28 "Junior Students" 46 "Senior Students"</p>	
<p>(a) The program shall have well defined student policies based upon statutory and Board requirements.</p>		Criteria Met
<p>(b) Individuals enrolled in approved vocational nursing education programs preparing students for licensure shall be provided verbal and written information regarding conditions that may disqualify graduates from licensure and of their rights to petition the Board for a Declaratory Order of Eligibility. Required eligibility information includes: (1) Texas Occupations Code §§ 301.252, 301.257, and 301.452-469; and (2) Sections §§213.27-213.30 of the Texas Administration Code (relating to Good Professional Character, Licensure of Persons with Criminal Convictions, Criteria and Procedure Regarding Intemperate Use and Lack of Fitness in Eligibility and Disciplinary Matters, and Declaratory Order of Eligibility for Licensure).</p>		Criteria Met
<p>(c) Admission requirements shall be stated in the student policies. Programs shall set reasonable educational requirements for admission. Applicants shall present evidence of being able to meet objectives/outcomes of the program. All students shall be pretested. Tests shall measure reading comprehension and mathematical ability.</p>	<p>General Technical/Skills Test is used as pre entrance tests.</p>	Criteria Met
<p>(d) Reasons for dismissal shall be stated in student policies.</p>		Criteria Met
<p>(e) Copies of the student policies shall be furnished to all students at the beginning of the school year. The school shall maintain a signed receipt of student policies in all students' records. It is the school's responsibility to define and enforce student policies.</p>		Criteria Met
<p>(f) The number of students admitted to the program shall be determined by the number of qualified faculty, adequate educational facilities and resources, and the availability of appropriate clinical learning experiences for students. Programs shall not accept admissions after the third day of class.</p>		Criteria Met
<p>(g) Students shall be allocated at least 18 days leave for vacation and/or holidays. All scheduled holidays are to be observed on the holidays designated by the controlling agency. Vacation time shall be scheduled at the same time or all students.</p>		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(h) Students shall meet the requirements of Rule 214.9(e) related to Program of Study to be eligible for graduation from an approved vocational nursing education program.		Criteria Met
(i) Acceptance of transfer students and evaluation of allowable credit for advanced placement remains at the discretion of the coordinator or director of the program and the controlling agency. Upon completing the program's requirements, the individual is considered to be a graduate of the school.		N/A
(j) Records of student conferences shall be kept and made available to the student involved and all faculty members. Students shall be provided written documentation of all conferences.		Criteria Met
(k) Students shall have the opportunity to evaluate faculty, courses, and learning resources and these evaluations shall be documented.	Interviews with students reveal difficulties with pharmacology content. Asked that content be presented over a longer period of time or be divided into systems.	Criteria Met <u>Recommendation 1</u> Evaluate student concerns related to pharmacology course.
§ 214.9 Program of Study		
(a) The program of study shall be: (1) a minimum of 1,398 clock hours; 558 hours for classroom instruction and 840 hours for clinical practice. Class hours shall include actual hours of classroom instruction in nursing and non-nursing Board-required courses/content. Clinical practice shall include actual hours of practice in clinical areas, clinical conferences, and/or simulated lab experiences; (2) scheduled with the placement of courses or course content throughout the entire length of the program; (3) organized by subject and content to meet the needs of the program; (4) based on the philosophy/mission and objectives/outcomes; (5) based on sound educational principles; (6) designed to prepare graduates to practice according to The Nursing Practice Act, Standards of Nursing Practice, Unprofessional Conduct Rules, and other laws and regulations which pertain to various practice settings; (7) designed and implemented to prepare students to demonstrate the <i>Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate Degree (Dip/ADN), Baccalaureate (BSN), September 2002</i> ; and (8) designed to teach students to use a systematic approach to clinical decision making.	Theory 566 Clinical 860 All required components present	Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
<p>(b) The faculty shall be responsible for the development, implementation and evaluation of the curriculum based upon the following guidelines:</p> <p>(1) Framework. The philosophy/mission shall be the basis for curriculum development and shall reflect the purpose of the organization, faculty beliefs, and education concepts. Clinical learning objectives/outcomes derived from the philosophy/mission shall be representative of the Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate Degree (Dip/ADN), Baccalaureate (BSN), September 2002 for preparation of a vocational nurse graduate. Clinical and course objectives/outcomes shall be stated in behavioral terms and shall serve as the mechanism for student progression. The conceptual framework shall define the internal and external influences impacting vocational nursing education and shall identify the educational method and focus.</p> <p>(2) Design and Implementation. The curriculum shall be designed and implemented to prepare students to demonstrate the <i>Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate degree (Dip/ADN), Baccalaureate (BSN), September 2002</i>. The curriculum design shall allow for flexibility to incorporate current nursing education theories and the implications of current developments in health care and health care delivery to assist graduates in meeting professional, legal, and societal expectations. Educational mobility shall also be a consideration in curriculum design.</p>		<p>Criteria Met</p> <p>Commendation: Inclusion of other disciplines in curriculum planning i.e. chaplain.</p>
<p>(3) Specific Provisions. Instruction shall be provided in biological, physical, social, behavioral, and nursing sciences, including body structure and function, microbiology, pharmacology, and nutrition; signs of emotional health; and human growth and development. Vocational adjustments and nursing skills shall also be included. Courses may be integrated or separate. The selection and organization of the learning experiences in the curriculum shall provide continuity, sequence, and integration of learning. Didactic and skills laboratory experiences shall be concurrent. Correlated didactic and clinical practice shall be provided in the following areas, but not necessarily in separate courses:</p>		<p>Criteria Met</p>
<p>(A) Nursing Care of Children. Experiences shall include care of children and meeting their needs in a variety of age groups in both the acute and non-acute care setting. Day care and clinic settings may be utilized as supplementary experience. Common health deviations, physical, psychological, and neurological handicaps, and nutritional needs shall be emphasized. Students shall have opportunities to develop understanding of normal growth and development and the influences of the family, home, church, school, and community. Student practice in caring for and understanding the needs of newborn infants shall also be included.</p>		<p>Criteria Met</p>
<p>(B) Maternity Nursing. Opportunities shall be provided for students to gain an understanding of the psychological and physiological aspects of pregnancy, labor, and puerperium. Assisting mothers in the care of their infants shall be emphasized. A variety of settings, including clinics, organized maternity units, and maternity cases in non-segregated units, may be utilized for provision of maternity nursing experience.</p>		<p>Criteria Met</p>

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(C) Nursing Care of the Aged. Opportunities shall be included for the care of individuals experiencing specific changes related to the aging process. Students shall develop an understanding of the physical and mental changes associated with aging and the implications of aging in planning nursing care.		Criteria Met
(D) Nursing Care of Adults. Opportunities shall be provided to the student through the use of various resources to care for adults who have health deviations. Resources used shall include learning experiences to illustrate the individual as a member of the family, the responsibilities and functions of the community in the provision of nursing care, and the types of agencies where nursing is practiced. Preventive, therapeutic, and rehabilitative aspects shall be provided. Experiences shall also include the physical, psychological, and spiritual components of health and disease. Experience shall include, but not be limited to, the acute care settings.		Criteria Met
(E) Nursing Care of Individuals With Mental Health Problems. Learning opportunities shall include an understanding of personality development, human needs, common mental mechanisms, and factors influencing mental health and mental illness. Common mental disorders and related therapy shall be included. Clinical experience in a unit or facility specifically designed for psychiatric care is optional.		Criteria Met
(c) Classroom instruction shall include organized student/faculty interactive learning activities, formal lecture, audiovisual presentations, and simulated laboratory instruction.		Criteria Met
(d) The curriculum plan, including course outlines, shall be kept current and available to faculty and Board representatives.		Criteria Met
(e) A system of grading shall be in place which does not allow grades of less than a "C" on any subject area required for licensure eligibility listed in this chapter.		Criteria Met
(f) Major revisions to the curriculum must be submitted to the Board office following Board guidelines for review and approval prior to implementation. Major revisions include: (1) changes in philosophy/mission; (2) revisions in program hours; and (3) addition/reduction of courses in the program of study.		Criteria Met
(g) All programs implementing a curriculum change shall provide an evaluation of the outcomes of these changes and submit them with the Annual Report through the first graduating class.		Criteria Met
(h) There shall be provision for continuous development, implementation, and evaluation of the curriculum.		Criteria Met
(i) Programs may allow individuals to challenge the vocational nursing education curriculum, and shall develop and define such policies to meet theory and practice requirements for challenging credit.		Criteria Met
(j) Adaptation to the calendar in the college catalog is permissible.		N/A
(k) Programs shall apprise the Board office of any program changes.		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
<p>§ 214.10 Management of Clinical Learning Experiences and Resources</p>		
<p>(a) Faculty shall be responsible for student clinical practice evaluations. Clinical practice evaluations shall be correlated with level and/or course objectives including formative and summative evaluation. Students shall receive a minimum of three clinical evaluations during the program.</p>		Criteria Met
<p>(b) Clinical practice shall include actual hours of practice in clinical areas, clinical conferences, and/or simulated lab experiences.</p>		Criteria Met
<p>(c) Clinical experiences shall include the administration of medications, health promotion and preventive aspects, nursing care of persons throughout the life span with acute and chronic illnesses, and rehabilitative care. Students shall participate in instructor supervised patient teaching. Students shall also be provided opportunities for participation in clinical conferences. The focus of clinical conferences shall be student experiences in the clinical setting. Simulated laboratory experiences may also be utilized as a teaching strategy in classroom and clinical settings to meet objectives.</p>		Criteria Met
<p>(d) Scheduling of student time and clinical rotations shall be made by the program faculty. Selected clinical learning experiences will remain unchanged unless a client's condition demands reassignment. Reassignment must be approved with prior consent of faculty.</p>		Criteria Met
<p>(e) The student's daily client assignment shall be made in accordance with clinical objectives/outcomes and learning needs of the students. The total number of daily assignments shall not exceed five clients.</p>		Criteria Met
<p>(f) Consideration of selection of a clinical site shall include: (1) client census in sufficient numbers to meet the clinical objectives/outcomes of the program; and (2) evidence of collaborative arrangements in those facilities, which support multiple nursing programs.</p>	<p>Madigan Army Medical Center Child Development Center Family Medicine Clinic Veteran's Administration Medical Center</p>	Criteria Met
<p>(g) There shall be a written affiliation agreement between the controlling agency and the affiliating agency before the affiliation begins. The agreement shall outline the responsibilities of each agency entering the agreement. The agreement shall contain a withdrawal of participation clause indicating a minimum period of time to be given for notice of such withdrawal.</p>		Criteria Met
<p>(h) Affiliation agreements are optional for those clinical experiences which are observation only.</p>		Criteria Met
<p>(i) The affiliating agency shall: (1) provide clinical facilities for student experiences; (2) provide space for conducting clinical conferences for use by the school if classrooms are located elsewhere; (3) provide assistance with clinical supervision of students, including preceptorships, by mutual agreement between the affiliating agency and controlling agency; and (4) have no authority to dismiss faculty or students. Should the affiliating agency wish to recommend dismissal of faculty or students, such recommendation(s) shall be in writing.</p>		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
<p>(j) The faculty member shall be responsible for the supervision of students in clinical learning experiences.</p> <p>(1) When a faculty member is the only person officially responsible for a clinical group, then the group shall total no more than ten (10) students. Patient safety shall be a priority and may mandate lower ratios, as appropriate. The faculty member shall supervise that group in only one facility at a time, unless some portion or all of the clinical group are assigned to observational experiences in additional settings.</p> <p>(2) Direct faculty supervision is not required for an observational experience. Observational experiences may be used to supplement, but not replace patient care experiences, and must serve the purpose of student attainment of clinical objectives.</p>		Criteria Met
<p>(k) Faculty may use clinical preceptors to enhance clinical learning experiences and to assist faculty in the clinical supervision of students.</p> <p>(1) Faculty shall develop written criteria for the selection of clinical preceptors.</p> <p>(2) When clinical preceptors are used, written agreements between the vocational nursing education program, clinical preceptor, and the affiliating agency, when applicable, shall delineate the functions and responsibilities of the parties involved.</p> <p>(3) Faculty shall be readily available to students and clinical preceptors during clinical learning experiences.</p> <p>(4) The designated faculty member shall meet periodically with the clinical preceptors and student(s) for the purpose of monitoring and evaluating learning experiences.</p> <p>(5) Written clinical objectives, evaluation criteria, and written description of expectations shall be shared with the clinical preceptors prior to or concurrent with the experience.</p>		Criteria Met
<p>(l) Clinical preceptors may be used to enhance clinical learning experiences after a student has received clinical and didactic instruction in all basic areas of nursing or within a course after a student has received clinical and didactic instruction in the basic areas of nursing for that course or specific learning experience.</p> <p>(1) In courses which use clinical preceptors for a portion of clinical learning experiences, faculty shall have no more than 12 students in a clinical group.</p> <p>(2) In a course which uses clinical preceptors as the sole method of student instruction and supervision in clinical settings, faculty shall coordinate the preceptorship for no more than 24 students.</p> <p>(3) the preceptor may supervise student clinical learning experiences without the physical presence of the faculty member in the affiliating agency or clinical practice setting.</p> <p>(4) The preceptor shall be responsible for the clinical learning experiences of no more than two students per clinical day.</p> <p>(5) The preceptor shall be accountable for evaluating the student using clinical objectives developed by vocational nursing faculty.</p> <p>(6) Clinical preceptors shall have the following qualifications:</p> <p>(A) competence in designated areas of practice;</p> <p>(B) philosophy of health care congruent with that of the nursing program; and</p> <p>(C) current licensure or privilege to practice nursing in the State of Texas.</p>		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(m) The total weekly schedule throughout the length of the program shall not exceed 40 hours per week including both class and clinical practice hours. Class and clinical practice hours shall be continuous. Students shall be assigned two consecutive non-class days off each week.		Criteria Met
(n) Programs shall not permit utilization of students for health care facility staffing.		Criteria Met
§ 214.11 Facilities, Resources, and Services	The program director reports an impending renovation of the existing facility	
(a) Classrooms and nursing skills laboratory facilities shall be provided to accommodate the learning needs of the students.	The program has access to a Simulation Center which includes a center director and staff to monitor student progress.	Criteria Met
(b) An appropriately equipped skills laboratory shall be provided to accommodate maximum number of students allowed for the program. The laboratory shall be equipped with hot and cold running water. The laboratory shall have cabinets for storage of equipment.	Two appropriately skills labs are available	Criteria Met <u>Recommendation: 2</u> Utilize the Simulation Center to augment clinical skills practice and review.
(c) The director or coordinator and faculty shall have office space provided , other than the classroom. There shall be privacy for counseling of students.		Criteria Met
(d) The learning resources, library, and departmental holdings shall be current, use contemporary technology appropriate for the level of the curriculum, and be sufficient for the size of the student body and the needs of the faculty. (1) Provisions shall be made for accessibility, availability, and timely delivery of information resources. (2) Facilities and policies shall promote effective use, i.e. environment, accessibility, and hours of operation.	MAMC library is available Computer access to the library is available at the program and in the student barracks.	Criteria Met
(e) Teaching aids shall be provided to meet the objectives of the program.	On the day of survey, 14/15 desktop computers were functional. These computers are designated to accommodate the needs of 74 students.	<u>Requirement 1</u> Obtain sufficient numbers of functioning computers to accommodate the learning needs of all students <u>Recommendation 3</u> Evaluate available software for use in augmenting lecture content and to provide additional study opportunity for students.
(f) Adequate restrooms and lounges shall be provided convenient to the classroom.		Criteria Met
§ 214.12 Records and Reports		
(a) Student Forms - Student records shall be maintained on all students and shall be accessible to all faculty members and to Board representatives. Record forms may be developed by an individual school. Hospital employment forms are not to be used for student records.		Criteria Met
(b) Required Student Forms - The required student forms are the student application, evidence of student's ability to meet objectives/outcomes of the program, clinical practice evaluation, transcript, signed receipt of written student policies, evidence of student receipt of eligibility information, and statement of withdrawal.		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(c) Record Storage - Records shall be safely stored to prevent loss, destruction, or unauthorized use. Records of all graduates must be complete prior to permanent storage. Records on students who withdraw from the program shall be completed up to the date of withdrawal.		Criteria Met
(d) Retention of Student Records - All records shall be maintained for two years. At minimum, a transcript shall be retained as a permanent record on all students.		Criteria Met
§ 214.13 Total Program Evaluation		
(a) There shall be a written plan for the systematic evaluation of the total program. The plan shall include evaluative criteria, methodology, frequency of evaluation, assignment of responsibility, and indicators (benchmarks) of program and instructional effectiveness. The following broad areas shall be periodically evaluated: (1) organization and administration of the program; (2) philosophy/mission and objectives/outcomes; (3) program of study, curriculum, and instructional techniques; (4) educational facilities, resources, and services; (5) affiliating agencies and clinical learning activities; (6) students' achievement; (7) graduates' performance on the licensing examination; (8) graduates' nursing competence; (9) faculty members; performance; and (10) extension programs.		Criteria Met
(b) All evaluation methods and instruments shall be periodically reviewed for appropriateness.		Criteria Met
(c) Implementation of the plan for total program evaluation shall be documented in the minutes.		Criteria Met
(d) Major changes in the nursing education program shall be evidence-based and supported by rationale.		Criteria Met

Ft. Sam Houston, TX 78234

Dear LTC LeRoux

At the July 20-21, 2006 meeting, the members of the Board of Nurse Examiners considered the report of the survey visit to the Army Practical Nurse Program Phase 2 site at Fort Lewis, Washington.

It was the decision of the Board to accept the report of the site visit and issue the following Commendations, Requirements and Recommendations:

Commendations

The program is commended for:

1. Creation of the civilian position of deputy to ensure continuity of the practical nursing program and mitigate the effects of frequent turnover of military personnel.
2. Implementation of the Academic Readiness plan.
3. Inclusion of other disciplines in curriculum planning i.e. chaplain.

Recommendations

The program is encouraged to:

1. Evaluate student concerns related to pharmacology course
2. Utilize the Simulation Center to augment clinical skills practice and review.
3. Evaluate available software for use in augmenting lecture content and to provide additional study opportunity for students.

Requirement

Rule 214. 11 (e) related to Facilities, Resources, and Services , states, "(e) Teaching aids shall be provided to meet the objectives of the program." There are insufficient numbers of functioning computers to meet the needs of currently enrolled students. Therefore the program director shall obtain sufficient numbers of functioning computers to accommodate the learning needs of all students

Recommendations are suggestions based upon program assessment indirectly related to the rule. The program must respond in a method of the program's choice. Requirements are mandatory criterion based on program assessment directly related to the rule that shall be addressed in the manner prescribed. Please provide a complete response to findings no later than September 31, 2006. Board staff is available to address questions and concerns.

Sincerely,

Linda R. Rounds, PhD, RN, FNP
President

Betty Sims MSN, RN
Nurse Consultant, Education
