

**REPORT OF SURVEY VISIT
 PARIS JUNIOR COLLEGE
 VOCATIONAL NURSING EDUCATION PROGRAM**

SUMMARY OF REQUEST:

Consider the report of the survey visit conducted on September 12-13, 2006 at Paris Junior College Vocational Nursing Education Program at Paris, Texas the Lab Facility located at Greenville, Texas and board staff's commendations, recommendations, and requirements to be met.

HISTORICAL PERSPECTIVE:

YEAR	Approval Status	NCLEX-RN/PN® Pass Rate	Number of First-Time Candidates Passed/Total
2006	Full	Preliminary as of 8/31/06 96.88%	62/64
2005	Full	98.11%	52/53
2004	Full	98%	49/50
2003	Full	92.19%	59/64

- On February 15, 1971 the Texas Board of Vocational Examiners granted approval for the Paris Junior College to begin enrolling students.
- On August 15, 2001 the Board granted approval to appoint Marcia Putnam, MSN,RN as Director of the Nursing Programs. Ms. Putnam remains in the position.
- The last survey visit of the program was conducted by board staff on June 27, 2000. Based on the review of records and survey visit, there were no stipulations or recommendations from the 2000 survey visit..
- Based on established criteria, board staff conducted a survey visit of the program on September 12-13, 2006. Attached is the report of the survey visit with board staff's recommendation concerning commendations, recommendations, and requirements to be met (Attachment One).

Pros-

- The preliminary 2006 NCLEX-PN® examination pass rate, as of 8/31/06 is 96.88%
- Positive findings from the survey visit of the program on September 12-13, 2006 included the following:
 - Strong administrative support for the VN program is evident.
 - Director and faculty are dedicated to the student and nursing education.
 - The faculty is commended for exceptional recording of committee minutes with accurate flow of the happenings of the program and the student.

Cons-

- Areas of concern identified by board staff during the September 12-13, 2006 during the survey visit included the following:
 - VN faculty were unable to verbalize knowledge of Rule 214 during an interview.
 - Current clinical evaluation tools do not show progression of student expectations, but clinical objectives are written in behavioral terms that are measurable.
 - Program's inability to find and hire a lab resource person to oversee the skill's labs on both

campuses.

- Basic software in the computer lab is not functional to provide student learning of Virtual Excursion Experiences.
- The coordinator at Paris campus has resigned in August 2006 and no official notification of change has been sent to the Board office.
- A policy is in place for admission criteria and transferable credits for students. All credits were not accepted for the student transferring into the VN Program.
- A mechanism is not in place for preprogram orientation and advising session for students of declaratory order requirements prior to their entering the nursing program.
- A formal weeding policy exists with library and nursing program but no weeding/acquisition policy for media holdings.
- A comprehensive matrix tool is not revised to track DELC throughout the program of study.

STAFF RECOMMENDATION:

Move to accept the survey visit report of the September 12-13, 2006 survey visit and issue the commendations, recommendations, and requirements to be met based on staff recommendation, as indicated in the attached letter (Attachment Two).

STANDARD/CRITERIA	EVIDENCE	COMMENTS
§214.1 General Requirements		
(a) The Director or Coordinator and faculty are accountable for complying with the Board's rules and regulations and the Nursing Practice Act.	Majority of faculty were able to verbalize knowledge of Rule 214 during interview. However, a new faculty member was not familiar with the Rule	Recommendation #1- The Director and faculty should review parts of Rule 214 during faculty team meetings. Each faculty member shall complete the on line orientation course.
§ 214.4 Approval		
(c)(2)(A) Eighty percent (80%) of first-time candidates who complete the program of study are required to achieve a passing score on the NCLEX-PN examination.	2006- 96.88% as of 8/31/06 2005- 98.11% 2004- 98% 2003 - 92.19 %	
§ 214.5 Philosophy/Mission and Objectives/Outcomes		
(a) The philosophy/mission and objectives/outcomes of the vocational nursing education program shall be consistent with the philosophy/mission of the controlling agency. They shall reflect the diversity of the community served and shall be consistent with professional, educational, and ethical standards of nursing.		Criteria Met

STANDARD/CRITERIA	EVIDENCE	COMMENTS
(b) Program objectives/outcomes derived from the philosophy/mission shall reflect the <i>Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate Degree (Dip/ADN), Baccalaureate (BSN), September 2002.</i>		Criteria met
(c) Clinical objectives/outcomes shall be stated in behavioral terms and shall serve as a mechanism for evaluating student progression.	Review of records reveal that the current clinical evaluation tools being used to evaluate clinical performance show minimal student progression. Additionally, the clinical objectives/outcomes are consistently written in behavioral terms that are measurable.	Recommendation# 2 Faculty are encouraged to refine the clinical evaluation tools to include measurable terms and to insure higher level of progression in clinical objectives.
(d) The conceptual framework shall provide the organization of major concepts from the philosophy/mission of the program that provides the underlying structure or theme of the curriculum and facilitates the achievement of program objectives/outcomes.		Criteria met
(e) The faculty shall periodically review the philosophy/mission and objectives/outcomes and shall make appropriate revisions to maintain currency.		Criteria met
§ 214.6 Administration and Organization		
(a) The controlling agency shall be licensed or accredited by a Board-recognized agency. (b) There shall be an organizational chart indicating lines of authority between the vocational nursing education program and the controlling agency.	Interviews with College Administration demonstrated a strong support for the nursing program and the College. Ground breaking for a new campus at Greenville will occur in Spring, 2007.	Commendation #1 - Strong Administrative support for the VN Program is evident.
(c) The program shall have comparable status with other educational units within the institution (controlling agency).	Interview with Director reveals that the College has been unable to find and hire a lab resource person to oversee both of the skills labs. The Greenville nursing skills lab is utilized by the other health programs such as nurse aide and phlebotomy as well as the nursing program. Currently the nursing faculty maintain the skill's labs.	Recommendation #3- The Director is strongly encouraged to evaluate the Greenville lab facility for comparable status with the Paris lab facility. Recommendation #4- The Director and College Administration are encouraged to continue to investigate the possibility of hiring a lab resource person for ordering supplies, maintaining equipment and potential simulation management.

Dear Ms. Putnam:

At the October 19-20, 2006 meeting, members of the Board of Nurse Examiners discussed the report of the survey visit conducted on September 12-13, 2006 at Paris Junior College Vocational Nursing Program at Paris, Texas and the Greenville, Texas Lab Facility. The members of the Board wish to thank you and [] for being available to answer questions. Based on the discussion, it was the decision of the Board to accept the survey visit report and issue the following commendations, recommendations, and requirements to be met.

Commendations:

1. Strong Administrative support for the VN program is evident.
2. The faculty are commended for exceptional recording of committee minutes with a accurate flow of the happenings of the program and the student.
3. The Director and faculty are commended for their dedication to the nursing program.

Recommendations:

1. The Director and faculty should review parts of Rule 214 during faculty team meetings. Each faculty member shall complete the on line orientation course.
2. The faculty are encouraged to refine the clinical evaluation tools to include measurable terms and to insure higher level of progression in clinical objectives.
3. The Director is strongly encouraged to evaluate the lab facility at the Greenville location for true comparable status with the Paris lab facility.
4. The Director and College Administration are encouraged to continue to investigate the possibility of hiring a lab resource person for ordering supplies, maintaining equipment and potential simulation management.
5. The Director and faculty shall investigate transferable credits and admission criteria into the nursing program.
6. The Director and faculty shall investigate the option of providing a preprogram orientation and advising to students of declaratory order requirements prior to entering the program.
7. The Director and faculty shall evaluate the students' request for a change in uniforms.
8. The Director and faculty shall review and revise the weeding policy to include non-text holdings.

Requirements:

1. Rule 214.6(d)(1) related to Administration and Organization states "the controlling agency shall: (1) be responsible for satisfactory operation of the vocational nursing program;(2) meet rules and regulations as stated in this chapter." Rule 214.11(e) related to Facilities, Resources and Services states "teaching aids shall be provided to meet the objectives of the program." **Therefore**, the College Administration shall provide IT support to the VN program in sufficient levels to support basic software operations such as Virtual Clinical Excursion Experiences.
2. Rule 214.6(e) related to Administration and Organization states " When the director or coordinator of the program changes, the director or coordinator shall submit to the Board office written notification of the change indicating the final date of employment. The controlling agency shall ensure that:
(1) a new director or coordinator qualification form is submitted to the Board office for approval prior to being hired at an existing program or a new program." 214.6(g) related Administration and Organization states" A newly appointed director or coordinator of a vocational nursing education program shall attend the next scheduled orientation provided by the board staff." **Therefore**, the Director shall submit written notification of the change of the coordinator and appoint a coordinator for the VN Program after BNE approval. The named coordinator shall complete the required orientation sessions.
3. Rule 214.9(a)(7) related to Program of Study " The program of study shall be:designed and implemented to prepare students to demonstrate the *Differentiated Entry Level Competencies of Graduates of Texas Nursing Programs, Vocational (VN), Diploma/Associate Degree (Dip/ADN), Baccalaureate (BSN), September 2002*; and (8) designed to teach students to use a systematic approach to clinical decision making." **Therefore**, the Director and faculty shall revise the NEAC Matrix to reflect the DELC in the curriculum.
4. Rule 214.9(b)(3)(A) related to Program of Study states "(3) Specific Provisions. Instruction shall be provided in biological, physical, social, behavioral, and nursing sciences, including body structure and function, microbiology, pharmacology, and nutrition; signs of emotional health; and human growth and development. Vocational adjustments and nursing skills shall also be included. Courses may be integrated or separate. The selection and organization of the learning experiences in the curriculum shall provide continuity, sequence, and integration of learning. Didactic and skills laboratory experiences shall be concurrent. Correlated didactic

and clinical practice shall be provided in the following areas, but not necessarily in separate courses:(A) Nursing Care of Children. Experiences shall include care of children and meeting their needs in a variety of age groups in both the acute and non-acute care setting. Day care and clinic settings may be utilized as supplementary experience. Common health deviations, physical, psychological, and neurological handicaps, and nutritional needs shall be emphasized. Students shall have opportunities to develop understanding of normal growth and development and the influences of the family, home, church, school, and community. Student practice in caring for and understanding the needs of newborn infants shall also be included.

Rule 214.10(c) related to Management of Clinical Learning Experiences and Resources states" Clinical experiences shall include the administration of medications, health promotion and preventive aspects, nursing care of persons throughout the life span with acute and chronic illnesses, and rehabilitative care. Students shall participate in instructor supervised patient teaching. Students shall also be provided opportunities for participation in clinical conferences. The focus of clinical conferences shall be student experiences in the clinical setting. Simulated laboratory experiences may also be utilized as a teaching strategy in classroom and clinical settings to meet

objectives. **Therefore**, the Director and faculty shall evaluate the pediatric acute care clinical opportunities and investigate options in Dallas area agencies.

Please submit the required documentation to the Board Office to demonstrate the program's address of all recommendations and requirements with the 2007 Annual Report. If you have questions, or if we may be of assistance, please contact board staff at (512) 305-7658.
