### **APRN Compact Meeting:**

A meeting of states interested in adoption of the APRN Compact will be held in Salt Lake City on January 15, 2007. The Boards of Nursing of five states will be attending. The State nurses associations are also invited. I will be attending this meeting as will Jim Willmann representing Texas Nurses Association. Lynda Woolbert from the Coalition for Nurses in Advanced Practice has been invited as well.

### **New States Interested in the Compact:**

We are anticipating several states introducing legislation in 2007 including Wyoming, Nevada, and Montana. Kentucky and Colorado will implement the Compact in the summer of 2007.

### **NCSBN Receives Grant:**

I reported at the last meeting that the National Council received the Health Resources and Services Administration (HRSA) Grant for Licensure Portability. The award is in the amount of \$342,000.

The grant will provide funding for implementation of the Nurse Licensure Compact (NLC) by providing incentive grants for states to implement; provide funding to defray costs related to implementation of the uniform licensure requirements, including criminal background checks, by providing incentive grants to states; and provide funding for an annual nurse licensure portability summit to discuss licensure issues with states and stakeholders.

A press release regarding the grant can be found at: <https://www.ncsbn.org/1097.htm>
