

**Report of 2010 NCLEX-RN® Examination Pass Rates
 for Professional Nursing Education Programs**

Summary:

The period between October 1 and ending September 30 is used for the purposes of determining programs' NCLEX-RN® examination pass rates. This report provides final 2010 NCLEX® examination pass rates of first time test-takers in the professional nursing education programs in Texas. Programs with an asterisk are commended for their pass rate of 90% or above. New programs who have not had graduates or first time test-takers will not be included in the report. Rule 215.4(c) states that "Approval status is determined biennially by the Board on the basis of the program's compliance audit, NCLEX-RN® examination pass rate, and other pertinent data." Continuing approval letters were sent to programs in April 2009 for two years.

Programs with a pass rate below 80% for one year will be required to submit a self-study report to board staff according to the guidelines. Programs with a pass rate for two consecutive years may be placed on full approval with warning.

This report is for information only. No action is necessary.
