

Pre-licensure Out of State Nursing Programs Approved to Conduct Clinicals in Texas

- The BON has an educational guideline that sets forth rules, allowing out-of-state pre-licensure nursing programs to conduct clinical learning experiences in Texas healthcare facilities. This includes VN and RN education programs.
- Currently, 11 out-of-state nursing programs have been approved to conduct clinical learning experiences in Texas. Approved states include **Arkansas, Indiana, Oklahoma, Maryland, New Mexico,**
- For programs to seeking to obtain approval from Board staff, they must follow our guideline of required steps, including a \$500.00 fee, evidence of approval from their home state board of nursing, and evidence of an 80% licensure pass rate for the previous reporting year.
