

**STATUS REPORT ON 2008 NCLEX PASS RATES FOR  
TEXAS APPROVED NURSING EDUCATIONAL PROGRAMS**

**SUMMARY OF REQUEST:**

Review the status report on 2008 NCLEX pass rates for Texas approved nursing educational programs.

**HISTORICAL PERSPECTIVE:**

For purposes of program approval, the examination year for

- vocational nursing educational programs extends from January 1<sup>st</sup> through December 31<sup>st</sup> of each year; and for
- professional nursing educational programs extends from October 1<sup>st</sup> of one year through September 30<sup>th</sup> of the next year.

The data reflected on the Texas BON NCLEX-RN® Examination Summary, indicating the 2008 pass rate for individual programs, was compiled from a National Council State Boards of Nursing (NCSBN) Jurisdiction Program Summary Report and includes **all first time** test takers, **no matter where the graduates tested.** The Texas BON NCLEX-RN® Examination Summary results are for first time test takers who were educated in each nursing educational program regardless of where the graduates applied for licensure. The cumulative total for the 2008 examination year is included.

**ATTACHMENTS:**

- *Attachment One* is a table listing of 2008 NCLEX-PN® examination overall pass rates for all first-time candidates from Texas Board of Nursing approved vocational nursing (VN) educational programs.
- *Attachment Two* is a table listing of 2008 NCLEX-RN® examination overall pass rates for all first-time candidates from Texas Board of Nursing approved professional nursing (RN) educational programs.

**STAFF RECOMMENDATION:**

No recommendation. This is an information report. No Board action is required at this time.
