

Promoting Competency Report

The Texas Board of Nursing's educational offerings and continuing nursing education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws and rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

The attached Promoting Competency Report, in its new format, reflects attendance for educational offerings, CNE or stipulations. The date for each educational offering is italicized and listed by quarter. The information is for FY '12, FY '13, and FY '14 and provides easy viewing.

- Attachment A reflects the number registered and the number of registrants who completed the on-line CNE Course titled, *"Nursing Regulations for Safe Practice"*. The data for the nursing jurisprudence and ethics workshop titled, *"Protecting Your Patients and Your Practice"* and the advanced practice registered nurse workshop titled, *"APRN Licensure and Practice in Texas: Meeting the Challenges, Meeting the Needs"* reflects the attendance by licensure.
- Attachment B reflects attendance by licensure for webinars.
- Attachment C reflects the BON Webinar Calendar for 2014.
- Attachment D reflects the BON Workshop Calendar for 2014.

REGISTRATION

To register for a Texas Board of Nursing (BON or Board) Workshop, please visit our website at www.bon.texas.gov and click on **Education** and then **Continuing Education**. You will register for all BON educational offerings: the online continuing education course, workshops and webinars through the BON course catalog. You will receive a purchase confirmation and event reminders via your email address, leading up to the scheduled activity, and post activity reminders in order to help you receive your CNE certificate or certificate of completion.

All of the BON CNE activities include online components that must be completed in conjunction with the activity in order to receive completion credit and certificates. When you register online, a BON Online Learning Account is created and that will be your home for all BON continuing education courses, workshops and webinars. Depending on the continuing education course, you may be required to log into your individual account to complete follow-up learning activities and/or course evaluations after a workshop or webinar in order to receive your CNE certificate or certificate of completion.

The BON Online Learning Account will also contain links for workshop handouts, any required forms, post-activity certificates of completion, and other helpful resources for each registered activity. If questions arise during your registration or during an online learning course, there are specific **Help** links throughout the process to direct you to the dedicated Online Learning Help Desk.

Secure online payments are completed using major credit cards, bank cards – those with Visa or MasterCard logos, or online checks. Employers, organizations or groups can complete payment for multiple registrants with the purchase of a bulk voucher. The bulk voucher system will send the voucher information to the group coordinator for distribution to individual registrants. Each individual will use the voucher

as the form of payment during her/his own online registration.

You may register for as many courses as you are interested in, at one time or you may re-enter the BON Online Learning Account at anytime to register for another educational offering. For a complete listing of the registration policies, visit the Board's website, click on **Education**, then **Continuing Education**. Late or walk-in registration for workshops is \$125.00. Space is limited. Early registration is recommended.

Interactive Online CNE Opportunity

"Nursing Regulations for Safe Practice"*■

This online interactive offering is only available through the Texas Board of Nursing website and can be taken at any time. The cost for this course is \$25.00 and the course may be found at:

<https://www.bon.texas.gov/catalog/>. Two hours of continuing education credit are awarded for successful completion of the course which meets the CNE requirements established by passage of Senate Bill 1058 (See below).

BON Continuing Competency Offerings Address New Nursing Jurisprudence and Ethics Requirements

In 2013, the 83rd Regular Texas Legislative Session passed a law that specifies new continuing education requirements for all nurses. Senate Bill (SB) 1058 requires nurses to complete at least 2 hours of continuing education related to nursing jurisprudence and ethics before the end of every third, two-year licensing period. The BON has two continuing education offerings which meet the new requirements: the workshop titled, "Protecting Your Patients and Your Practice" and the interactive online CNE Opportunity titled, "Nursing Regulations for Safe Practice" (See above). For more information about BON CNE requirements visit the Board's website and click on **Laws and Rules**, then **Rules and Regulations**, and then **Chapter 216**.

Please Note: Participants more than 10 minutes late or who leave prior to the end of the session will not receive CE credit as per ANCC requirements or meet BON stipulations.
