

**Proposed Adoption of Amendments to 22 Tex. Admin. Code §214.9, Pertaining to Program of Study**

**Background:** The proposed amendments were approved by the Board at its April 2014 meeting for submission to the *Texas Register* for public comment. The amendments were published in the *Texas Register* on May 23, 2014, and the comment period ended on June 23, 2014.

The Board did not receive any comments on the proposal or a request for a public hearing. However, Staff received one comment regarding the proposed amendments to 22 Tex. Admin. Code §215.9, relating to professional nursing programs' programs of study. Because the two sections (§214.9 and §215.9) should be consistent with one another, the adoption of the proposed amendments to §214.9 should be considered with Agenda Item 6.6, which involves consideration of the proposed amendments to §215.9 and the comment received.

Staff recommends that the proposed amendments to §214.9 be adopted as proposed, without changes.

**Board action:** Move to adopt the proposed amendments to §214.9, Pertaining to Program of Study, as proposed.
