

Promoting Competency Report

The Texas Board of Nursing's educational offerings and continuing nursing education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws and rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

The attached Promoting Competency Report reflects attendance for educational offerings, CNE or stipulations for FY 2016.

- Attachment A reflects
 - The number of registrants who completed the Nursing Jurisprudence & Ethics Workshop, *Protecting Your Patients & Your Practice*;
 - The number of registrants who completed the on-line CNE Course titled, *"Nursing Regulations for Safe Practice"*;
 - The number of registrants who completed the on-line CNE course titled, *Documentation: So Let It Be Said...In Writing That is"*.
- Attachment B reflects the attendance by licensure for webinars provided during FY 2016.
- Attachment C reflects the 2016 Continuing Competency Offerings.
- Attachment D reflects the 2017 Continuing Competency Offerings. Board members are welcome to attend.

Goals for the future include increasing asynchronous continuing competency offerings. Prescriptive Authority for APRNs, Preparing APRN Students for Practice: A Review of the Rules, Roles, and APRN Scope of Practice were new courses added in 2016. These types of offerings are aimed to provide easier access and a cost-effective way to obtain information on specific areas of nursing practice.

The Texas of Nursing recently became an approved provider of continuing nursing education through the Alabama Board of Nursing.

Recommendation

This item is for informational purposes only. No action is required. Board Members are invited to attend any of the Promoting Competency opportunities at no charge.
