Promoting Competency Report

The Texas Board of Nursing's educational offerings and Continuing Nursing Education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws, rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

Attachment A to this report reflects attendance for educational offerings, CNE or stipulations, for the fourth quarter of FY 2019. Specifically, Attachment A reflects the number of registrants who completed:

- Nursing Jurisprudence & Ethics Workshop, *Protecting Your Patients & Your Practice*;
- Online CNE Courses titled:
 - *"Nursing Regulations for Safe Practice"*,
 - *"Documentation: So Let It BE Said....In Writing That Is"*,
 - *"Determining APRN Scope of Practice"*, and
 - *"Prescriptive Authority for APRNs"*.

Attachment B reflects 2019 Continuing Competency Offerings. Board members are welcome to attend workshops and take any of the online course offerings free of charge.

Goals for the future include revising existing and developing new asynchronous continuing competency offerings. These types of offerings are intended to provide easier access in a more cost-effective way for the nurses to obtain information on the Board's rules and regulations related to nursing practice.
