

**Rule Review of 22 Tex. Admin. Code Chapters 213, 216, and 221**

As required by Texas Government Code §2001.039, the Texas Board of Nursing (Board) filed its notice of intention to review and consider for re-adoption, re-adoption with amendments, or repeal, Chapters 213, 216, and 221, contained in Title 22, Part 11, of the Texas Administrative Code, pursuant to the 2019 rule review plan adopted by the Board at its July 2018 meeting. The notice was posted in the December 11, 2020 issue of the *Texas Register* (45 TexReg 8885). The comment period will end January 11, 2021.

On January 7, 2021, Staff received notification from the Regulatory Compliance Division of the Office of the Governor that the Board needs to submit §221.14 to the Division for further review before readopting the section. Based upon this directive, Staff will review §221.14 and submit any recommended amendments to the Board for consideration at its regularly scheduled April Board Meeting. If the Board approves the publication of amendments to the section at that time, the re-adoption of Chapters 213, 216, and 221, pursuant to the published rule review, will take place after the rulemaking action for §221.14 has been completed.
