

Promoting Competency Report

The Texas Board of Nursing's educational offerings and Continuing Nursing Education (CNE) courses provide nurses with an opportunity to increase their knowledge of the laws, rules and regulations that affect their nursing practice and contribute to their continuing competency. These offerings and CNE courses are a high priority for Board staff and support the Board's mission of patient safety.

Attachment A to this report reflects attendance for educational offerings, CNE or stipulations, for the third quarter of FY 2021. Specifically, Attachments A reflects the number of registrants who completed the:

- On-line CNE Courses titled:
 - *"Nursing Regulations for Safe Practice"*,
 - *"Documentation: So Let It Be Said...In Writing that Is"*,
 - *"APRN Scope of Practice"*,
 - *"Prescriptive Authority for APRNs"*,
 - *"Delegation: Distribution of the Workload"*,
 - *"Nursing Jurisprudence Exam Prep Course"*,
 - *"Nursing Peer Review: Safe Harbor Nursing Peer Review & Whistleblower Protections"*,
 - *"Nursing Peer Review: Incident-Based Nursing Peer Review & the Minor Incident Rule"*.
- *"Protecting Your Patients & Your Practice, Nursing Jurisprudence & Ethics Workshop"*.

Attachment B reflects 2021 Continuing Competency Offerings. Board members are welcome to attend workshops and enroll in any of the course offerings free of charge.

Goals for the future include updating existing and developing new asynchronous continuing competency offerings. These types of offerings are intended to provide easier access, in a more cost-effective way, so that nurses can obtain information on specific aspects of the NPA and Board rules applicable to their current area of practice.
