

Rule Review of 22 Texas Administrative Code Chapter 227 (relating to Pilot Programs for Innovative Applications to Vocational and Professional Nursing Education)

As required by Texas Government Code §2001.039, the Texas Board of Nursing (Board) will file notice of intention to review and consider for re-adoption, re-adoption with amendments, or repeal, the Chapter 227 contained in Title 22, Part 11, of the Texas Administrative Code, pursuant to the 2019 rule review plan adopted by the Board at its July 2018 meeting.

In conducting the review, the Board will assess whether the reasons for originally adopting these chapters continue to exist. Each section of these chapters will be reviewed to determine whether it is obsolete, whether it reflects current legal and policy considerations and current procedures and practices of the Board, and whether it is in compliance with Chapter 2001 of the Government Code (Administrative Procedure Act). The public will have thirty (30) days from the publication of this rule review in the Texas Register to comment and submit any response or suggestions.
