- VACCINES ARE NOT BEING MANAGED BY PHYSICIAN OR PROFESSIONAL OVERSIGHT. THERE IS NOT INFORMED CONSENT GIVEN. PEOPLE ARE NOT TOLD EXPERIMENTAL. THERE IS NO OUTSIDE AGENCY OVERSIGHT FOLLOWING AND REPORTING SAFETY DATA. (FAERS- U.S. GOVERNMENT AGENCY- REPORTS ONLY ABOUT 1% OF INJURIES)
- VACCINES ARE BEING GIVEN BY NON-PROFESSIONAL UNLICENSED PERSONS. MANDATES ARE GIVEN BY JOE BIDEN, MAYORS; IE BILL DEBLASIO, GOVERNOR NY, LORI LIGHTFOOT IN CHICAGO. OTHER MAYORS AND COMPANIES WHO ARE NON-LICENSED MEANS THEY ARE PRACTICING WITHOUT A MEDICAL LICENSE: IE; THIS IS CALLED **MALPRACTICE** AND THEY SHOULD ALL BE ARRESTED FOR PRACTICING WITHOUT A MEDICAL LICENSE. CDC, NIH, CONSIDER VACCINES AS MEDICATION. MALPRACTICE AT THE CORE.
- CALIFORNIA : JABBING KIDS WITHOUT PARENTAL CONSENT.
- WHO; STATEMENT; BOOSTERS WILL NOT DECREASE INCIDENCE OF COVID; LEAD CONSULTING GROUP SEPARATE FROM WHO DEMANDING WHO, PULL VACCINES OFF MARKET; NOT SAFE FOR HUMAN USE.
- HIPPOCRATIC OATH OMITTED WORDS IN 2011: WILL DO NO HARM. It also states will not participate in Abortion. I would say, every physician in this country needs to reread the Hippocratic Oath.

Dr. Robert Malone Narrative: Posted December 14, 2021- Invented mRNA Full Text of Malone's Statement: My name is Robert Malone, and I am speaking to you as a parent, grandparent, physician and scientist. I don't usually read from a prepared speech, but this is so important that I wanted to make sure that I get every single word and scientific fact correct. I stand by this statement with a career dedicated to vaccine research and development. I'm vaccinated for COVID and I'm generally pro-vaccination. I have devoted my entire career to developing safe and effective ways to prevent and treat infectious diseases. After this, I will be posting the text of this statement so you can share it with your friends and family. Before you inject your child – a decision that is irreversible – I wanted to let you know the scientific facts about this genetic vaccine, which is based on the mRNA vaccine technology I created. There are three issues parents need to understand: The first is that a viral gene will be injected into your children's cells. This gene forces your child's body to make toxic spike proteins. These proteins often cause permanent damage in children's critical organs, including: – Their brain and nervous system – Their heart and blood vessels, including blood clots – Their reproductive system – And this vaccine can trigger fundamental changes to their immune system The most alarming point about this is that once these damages have occurred, they are irreparable. – You can't fix the lesions within their brain – You can't repair heart tissue scarring – You can't repair a genetically reset immune system, and – This vaccine can cause reproductive damage that could affect future generations of your family The second thing you need to know about is the fact that this novel technology has not been adequately tested. – We need at least 5 years of testing/research before we can really understand the risks – Harms and risks from new medicines often become revealed many years later Ask yourself if you want your own child to be part of the most radical medical experiment in human history One final point: the reason they're giving you to vaccinate your child is a lie. – Your children represent no danger to their parents or grandparents – It's actually the opposite. Their immunity, after getting COVID, is critical to save your family if not the world from this disease In summary: there is no benefit for your children or your family to be vaccinating your children against the small risks of the virus, given the known health risks of the vaccine that as a parent, you and your children may have to live with for the rest of their lives. The risk/benefit analysis isn't even close. As a parent and grandparent, my recommendation to you is to resist and fight to protect your children.

Dr. Malone accused Fauci of projection and lies: *“He gets a gold star for lying... For some reason all of the misrepresentations that he makes all favor the interests of large pharmaceutical companies.”* Then Dr. Robert Malone accused Dr. Fauci and the COVID Team of killing at least 500,000 Americans since the start of the pandemic: “Look Tony, there are over half a million deaths in the United States for this virus, completely unnecessary because the federal government has very actively blocked the ability of physicians to provide lifesaving medications early in the infection. They’ve set a policy where physicians aren’t supposed to be treating as outpatients, they’re only supposed to be treating as inpatients. And you only get admitted when your body is pretty effectively trashed by the virus. And so we have this high rate of dying.”

Cardiologist and Professor of Medicine Peter McCullough testified in Texas earlier this year. Dr. McCullough sees COVID patients and says 85% of COVID patients given multi-drug treatment plan recover from the disease with complete immunity. McCullough added, “The pandemic could have been over by now, he says, if those who tested positive for covid had been immediately treated before they fell ill enough to be hospitalized. He also says that thousands could have been, and still could be saved if the treatment protocol he and other physicians use were not suppressed.”

Are vaccinations really the answer? I wonder. In Africa, the death toll from the virus is much lower than in the US and Europe. I wonder why that is. There are many very unsanitary areas in the country and their medical equipment leaves much to be desired, but they do use the life-saving drugs Dr. Malone spoke of. Oh, and by the way, the vaccination rate in Africa is 6%. When will we wake up and chase Faucistein and his ilk out of the country?
