The Expert further acknowledges that funds may not be specifically appropriated for the Contract and the Board’s continual ability to make payments under the Contract is contingent upon the funding levels appropriated to the Board. The Board will use all reasonable efforts to ensure that such funds are available. The Expert agrees that if future levels of funding for the Board are not sufficient to continue operations without any operational reductions, the Board, in its discretion, may terminate the Contract or a pending order under the Contract, either in whole or in part. In the event of such termination, the Board will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The Board shall make best efforts to provide reasonable written advance notice to the Expert of any such Contract or order termination. In the event of such a termination, the Expert shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination, either on the particular order if an order is being terminated, or the Contract, if the Contract is being terminated. The Board shall be liable for payments limited only to the portion of work the Board authorized in writing and which the Expert has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.

III. Term; Termination

A. Term. This Contract shall be effective upon the signature of the Executive Director of the Board, and will expire on August 31, 2019 (the “Initial Term”). This Contract may be extended for up to one (1) one-year term on August 31, 2019 by execution of a written agreement by the Parties.

B. Termination for Cause. If the Expert fails to provide the goods or services contracted for according to the provisions of this Contract, or fails to comply with any terms or conditions of this Contract, the Board may, upon written notice of default to the Expert, immediately terminate all or any part of this Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies as provided in equity, by law or under this Contract. The Board may exercise any other right, remedy, or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of this Contract. The exercise of any of the foregoing remedies will not constitute a termination of this Contract unless the Board notifies the Expert in writing prior to the exercise of such remedy. The Expert shall be liable for all costs and expenses, including court costs, incurred by the Board with respect to the enforcement of any of the remedies listed herein.

C. Termination for Convenience. Either Party may terminate this Contract at any time, in whole or in part, without cost or penalty, by providing thirty (30) calendar days’ advance written notice. In the event of such a termination, Expert must, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. The Board shall be liable for payments limited only to the portion of work the Board authorized in writing and which Expert has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, in accordance with Contract requirements, prior to the effective date of termination. The Board shall have no other liability, including no liability for any costs associated with the termination.
IV. General

A. Confidentiality; Property Rights; and the Texas Public Information Act.

1. For purposes of this Contract, the term "Work" is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the Contract. All information prepared by Expert is the work product of the Board and is subject to disclosure or non-disclosure pursuant to the Texas Rules of Civil Procedure and Texas Rules of Evidence. The Expert agrees to keep all information to which it is privy under this Contract confidential, privileged and protected from disclosure, unless the Expert obtains the prior written consent of the Board. Further, any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials prepared by the Expert in the performance of his obligations under this Contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Expert upon completion, termination, or cancellation of this Contract.

2. Expert agrees to keep all information to which it is privy under this Contract confidential, privileged, and protected from disclosure, unless the Expert obtains the prior written consent of the Board. Expert will indemnify and hold harmless the State of Texas, its officers and employees, and the Board, its officers and employees for any claims or damages that arise from the disclosure by Expert or its subcontractors of information held by the Board. Further, any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials prepared by Expert in the performance of his obligations under this Contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Expert upon completion, termination, or cancellation of this Contract. Expert may, at his own expense, keep copies of all his writings for his personal files. Expert shall not use, willingly allow, or cause to have such materials used for any purpose other than the performance of Expert's obligations under this Contract without the prior written consent of the Board.

3. Expert understands that the Board will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Expert is required to make any information created or exchanged with the State pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

B. Limitation on Authority. Expert shall have no authority to act for or on behalf of the Board or the State of Texas except as expressly provided for in this Contract. No other authority, power or use is granted or implied. Expert may not incur any debt, obligation, expenses, or liability of any kind on behalf of the Board or the State of Texas.

C. Independent Contractor. The Expert is not an employee of the Board, and as such, is responsible for payment of any federal taxes to be paid to the federal government attributable to the payments made
under this Contract. Furthermore, the Expert is not eligible for any fringe benefits due to state employees. Expert and Expert’s employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under this Contract. Neither the Board nor Expert is an agent of the other and neither may make any commitments on the other party’s behalf. Should Expert subcontract any of the services required in this Contract, Expert expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Expert. In no event shall this provision relieve Expert of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract. Expert shall have no claim against the Board for vacation pay, sick leave, retirement benefits, social security, worker’s compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. This Contract shall not create any joint venture, partnership, agency, or employment relationship between Expert and the Board.

D. Assignment. Neither Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without the prior written consent of the other Party, and any attempted or purported assignment, transfer or delegation thereof without such consent shall be null and void. Notwithstanding the foregoing, upon prior written notification to the other Party, either Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without such prior written consent to: (1) a successor in interest (for the Board, another state agency as designated by the Texas Legislature) or (2) a subsidiary, parent company, or other entity in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets.

E. Subcontractors. Expert may not subcontract any or all of the work and/or obligations due under this Contract without prior written approval of the Board. Subcontracts, if any, entered into by the Expert shall be in writing and be subject to the requirements of this Contract. Should Expert subcontract any of the services required in this Contract, Contactor expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Expert. In no event shall this provision relieve Expert of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract.

F. Dispute Resolution. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under this Contract. If the Expert’s claim for breach of contract cannot be resolved informally with the Board, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Expert shall submit written notice to the Board, as required by Chapter 2260. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under Section 2260.051 of the Texas Government Code. Compliance by the Expert with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Expert’s sole and exclusive process for seeking a remedy for an alleged breach of contract by the OAG if the parties are unable to resolve their disputes as described above.
Notwithstanding any other provision of this Contract to the contrary, unless otherwise requested or approved in writing by the Board, the Expert shall continue performance and shall not be excused from performance during the period any breach of contract claim or while the dispute is pending. However, the Expert may suspend performance during the pendency of such claim or dispute if the Expert has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

G. Governing Law and Venue. This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the Board.

H. Records Retention. Expert shall maintain and retain all records relating to the performance of this Contract, including supporting fiscal documents adequate to ensure that claims for Contract funds are in accordance with applicable State of Texas requirements. These records will be maintained and retained by Expert for a period of seven (7) years after the Contract expiration date or until all audit, claim, and litigation matters are resolved, whichever is later.

I. Disaster Recovery Plan. In accordance with 13 Texas Administrative Code §6.94(a)(9), relating to third-party custodians of records, the Expert shall provide to the Board the descriptions of its business continuity and disaster recovery plans in regards to the Board’s vital state records.

J. State Auditor’s Right to Audit. The acceptance of funds directly under this Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. The Expert will ensure that this Section concerning the authority to audit funds received indirectly by subcontractors through the Expert and the requirement to cooperate is included in any subcontract it awards, should subcontracting be authorized. The Expert further agrees to cooperate fully with the State Auditor’s Office in the conduct of the audit or investigation, including providing all records requested. Additionally, the State Auditor’s Office shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, audit documentation, and records of the Expert relating to this Contract.

K. Agency’s Right to Audit. L. Change in Law and Compliance with Laws. Expert shall comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products required by the Contract to the State of Texas, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the Contract. The Board reserves the right, in its sole discretion, to unilaterally
amend the Contract prior to award and throughout the term of the Contract to incorporate any modifications necessary for the Board’s compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

M. **Binding Effect.** This Contract shall be binding upon and shall inure to the benefit of the Board and Expert and to their representatives, successors, and assigns.

N. **Survival.** Expiration or termination of the Contract for any reason does not release Expert from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

O. **Severability.** If one or more provisions are deemed invalid, illegal, or unenforceable for any reason, such invalidity, illegality or unenforceability shall not affect any other provision and this Contract shall be construed as if the invalid, illegal or unenforceable provision had never been contained herein.

P. **Force Majeure.** Neither Expert nor the Board shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

Q. **Headings.** The headings contained in this Contract are for reference purposes only and shall not in any way affect the meaning or interpretation of the Contract.

THE DEFENSE SHALL BE COORDINATED BY EXPERT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND EXPERT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL.
