4 PROPOSAL ORGANIZATION

4.1 PROPOSAL SUBMISSION.

Proposals shall include all information required in this RFP and shall be in the format described in this RFP. Respondents must address how they meet the specifications described in Section 1.1 of this RFP (Scope of Work) in its Proposal.

The Respondent is solely responsible for thoroughly understanding the RFP and its attachments, exhibits, and forms. Any questions concerning this RFP should be directed to the Point-of-Contact by the Deadline for Proposals. The Respondent is solely responsible for its Proposal and all documentation submitted.

A Proposal constitutes a binding offer by the Respondent. **The Texas Board of Nursing will disqualify any response to this RFP that includes any type of disclaimer or other statement indicating that the Response does not constitute a binding offer.**

Respondent must be as precise, accurate, and succinct in its Proposal as possible. Respondent must provide detailed descriptions of how it will fulfill each requirement. Evaluators may consider the clarity and completeness of a Proposal as part of the selection process.

4.2 ATTACHMENT A – EXECUTION OF OFFER.

Respondent is required to complete, sign, and submit Attachment A – Execution of Offer. Failure to complete, sign, and submit this form with Respondent's Proposal will disqualify the Proposal.

4.3 ATTACHMENT B – PRICING SUBMISSION.

Respondent must complete this attachment or include the information as part of its Proposal.

4.4 HUB SUBCONTRACTING PLAN.

The Respondent must fill out the HUB Subcontracting Plan ("HSP") and submit it with the Proposal to be considered responsive. The Texas Board of Nursing will reject responses received without the HSP as a material failure to comply with the requirements of this RFP.

4.5 ASSUMPTIONS AND EXCEPTIONS

No assumptions should be included in a Proposal. All issues or questions that might be advanced or addressed by way of assumption should be submitted to the Texas Board of Nursing pursuant to Section 3.8 of this RFP. **The inclusion of assumptions in a Proposal may result in a Respondent not being awarded a contract.**

Respondents are encouraged, in lieu of including exceptions in their Proposals, to address all issues that might be advanced by way of exception by submitting such issues to the Texas Board of Nursing pursuant to Section 3.8 of this RFP. Any exception included in a Proposal may result in a Respondent not being awarded a contract. However, if a Respondent includes exceptions in its Proposal, the Respondent shall clearly identify each exception it takes, noting the specific RFP section number, section title, detailed description of exception taken, and Respondent's proposed language advanced in lieu of the language to which exception is taken. If there are no exceptions, the Respondent shall explicitly state that the Respondent takes no exception to any part of this RFP.

The Texas Board of Nursing is prevented by the Texas Constitution from indemnifying vendors. The Respondent is discouraged from including a term in its Proposal that requires the Texas Board of Nursing to indemnify it. Such a term may result in the Proposal being deemed non-responsive.

Any exception that does not provide all information required (e.g., the specific RFP section number, section title, detailed description of exception taken, and Respondent's proposed language advanced in lieu of the language to which exception is taken) in the format set forth above will be rejected without consideration.

4.6 CONFLICT OF INTEREST DISCLOSURE

By signing the Execution of Offer, Attachment A, Respondent affirms that the execution of a Contract between Respondent and the State will not create a conflict of interest or cause an appearance of a conflict of interest. In its Proposal, Respondent must disclose any existing or potential conflicts of interest or possible issues that might create appearances of impropriety relative to Respondent's (and its proposed subcontractors') submission of a Proposal and possible selection as Contractor or its performance of the Contract.

If the circumstances certified by Respondent change or additional information is obtained subsequent to submission of Proposals, by submitting a response, Respondent agrees that it is under a continuing duty to supplement its response under this provision, and Respondent shall submit updated information as soon as reasonably possible upon learning of any change to Respondent's affirmation.

4.7 FINANCIAL RESPONSIBILITY/STABILITY

Respondent must provide evidence of financial responsibility and stability for performance of providing the goods and services for which Respondent is submitting a Proposal. Respondent must disclose the source of any outside financial resources that Respondent will utilize to enable it to perform any Contract awarded pursuant to the RFP. Respondent must show financial capability, demonstrate financial solvency, and verify the capacity to fulfill the requirements of the RFP. The Texas Board of Nursing reserves the right to determine the financial integrity and responsibility of a Respondent and to reject a Proposal on the grounds of Respondent's financial soundness.

Respondent must submit copies of the following documentation, as applicable. If not applicable, Respondent must provide an explanation.

1. Two of the most recent audited financial statements, including financial statements with all sub-schedules and footnotes, to include balance sheet, profit and loss statements, change in financial position and management letters, with findings and responses to findings
2. For privately and singularly owned business where audited financial statements are not required, unaudited financials will suffice.
3. At least one rating from organizations such as Dunn & Bradstreet or Fitch Ratings
4. A document with the following information:
 - a. Gross Revenues
 - b. Net Income
 - c. Current Ratio
 - d. Contingent liabilities to the extent that they would materially affect gross revenues, materially affect net income, or reduce the current ratio below 1.0.

Respondent must submit signed addenda, if any, with its Proposal.

5 EVALUATION, SELECTION, AWARD

The Texas Board of Nursing reserves the right to award a contract(s) without any negotiations and reserves the right to not make awards.

5.1 MODIFICATION OF PROPOSALS.

All Eligible Respondents will be afforded the opportunity to submit Best and Final Offers if (a) negotiations with any other Respondent result in a material alteration to the RFP and (b) such material alteration has a cost consequence that could alter the Respondent’s quotations regarding rates for services.

5.2 SELECTION OF RESPONDENT.

The Respondent selected for the Contract will be the Respondent whose Proposal, as presented in response to this RFP, and as determined by the BON, in accordance with the evaluation criteria set forth in Section 5.4, to be the most advantageous to the BON. Respondents acknowledge that the BON is not bound to accept the lowest-priced Proposal.

5.3 EVALUATION OF PROPOSALS.

BON personnel, including personnel who serve on the Evaluation Committee, will evaluate Proposals. Proposals that are (i) incomplete; (ii) not properly certified and signed; (iii) not in the required format; or (iv) otherwise non-compliant, in whole or in part, with any of the requirements set forth in this RFP, may be disqualified by the BON. Submission of a Proposal indicates the Respondent’s acceptance of the evaluation process set forth in this RFP and the Respondent’s acknowledgement that subjective judgments must be made by the BON in regard to the evaluation process.

5.4 EVALUATION CRITERIA.

The award will be made to the Respondent whose Proposal provides the best value for the state and is in the state’s best interest. The Texas Board of Nursing will do an initial responsiveness screening of the Proposals to verify compliance with the requirements of this RFP, which includes signature on all required documentation. The remaining responsive Proposals will be evaluated to determine which one offers the best value and is in the state’s best interest. In determining which Proposal provides the best value and is in the state’s best interest, the Texas Board of Nursing will consider the criteria listed below. The relative weights of each criterion will be as listed.

Criteria	Weight (%)
Respondent’s experience and qualifications	40
Respondent’s strategy and implementation	35
Price	25
Total	100

5.5 CONSIDERATION OF ADDITIONAL INFORMATION.

The BON reserves the right to ask for and consider any additional information deemed beneficial to the BON in evaluation of the Proposals.

The Texas Board of Nursing will consider best value for the state as directed by Texas Gov’t Code § 2155.074 when awarding a Contract to a Respondent.

5.7 AWARD NOTICE

If the RFP is awarded, the Texas Board of Nursing will issue a notice of award to the successful Respondent in response to this RFP. However, there is no guarantee that an award or any Contract will result from this solicitation.

6 INSURANCE

6.1 REQUIRED COVERAGE.

For the duration of any contract entered into as a result of this RFP, for all renewal terms, and for purposes of indemnification obligations that are specified to survive termination or expiration of the contract, Respondent shall

obtain, at its sole expense and at no cost to the BON, the following coverage and shall maintain such coverage in full force and effect:

- A. **Worker's Compensation.** Workers' Compensation covering all individuals who provide services pursuant to the RFP or Contract awarded as a result of this RFP, at the statutory limits in effect as of the Effective Date of the Contract and as modified from time to time by the regulatory body or insurance carrier charged with administering Workers' Compensation for the State of Texas, if applicable;
- B. **Commercial General Liability.** Commercial General Liability, including operations, Contractual liability, and products liability in a combined single limit if applicable; and
- D. **Employer's Legal Liability.** Employer's Legal Liability must be maintained while performing the duties prescribed per this RFP if applicable.

6.2 EFFECT OF INDEMNIFICATION OBLIGATIONS.

No provision, term, or condition in this RFP or in a Contract issued as a result of this RFP regarding indemnification obligations shall be construed to limit the application of insurance procured by the Respondent in accordance with requirements set forth in the RFP or resulting Contract.

6.3 ADDITIONAL NAMED INSURED, SUBROGATION.

With the exception of the Workers' Compensation policy, the BON shall be an additional-named insured on all policies, and subrogation against the BON must be waived.

6.4 CERTIFICATES OF COVERAGE.

At least thirty (30) days prior to the Effective Date of the Contract awarded as a result of this RFP, and at least thirty (30) days prior to the commencement of any renewal term of the awarded Contract, the Respondent shall furnish the BON with certificates of insurance in a form acceptable to the BON certifying that the Respondent carries the required insurance policies and coverage. The certificates shall be sent to the BON, at the address listed in this RFP.

6.5 NOTIFICATION OF CANCELLATION.

Each insurance policy shall contain a covenant by the insurance company issuing the policy that the policy will not be modified or canceled unless thirty (30)-days' prior written notice of modification or cancellation is given to the BON. In the event the Respondent receives notice of modification or cancellation of any of the policies required under this RFP or a Contract awarded as a result of this RFP, then, prior to the effective date of modification or cancellation of the policy, the Respondent shall obtain a policy of insurance affording the required coverage from an insurance carrier acceptable to the BON. If the Respondent fails to obtain such an insurance policy, the BON may immediately terminate the Contract without further notice to the Respondent.

7 CONTRACT TERMS AND CONDITIONS

By submitting a Proposal in response to this RFP, Respondent acknowledges and agrees that the following contract terms and conditions will be incorporated into a Contract with the BON:

- A. **Disaster Recovery Plan.** In accordance with 13 Texas Administrative Code § 6.94(a)(9), relating to third-party custodians of records, the Contractor shall provide to the Board the descriptions of its business continuity and disaster recovery plans in regards to the Board's vital state records.
- B. **Dispute Resolution.** The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under this Contract. If the Contractor's claim for breach of contract cannot be resolved informally with the Board, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice to the Board, as required by Chapter 2260. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under Section 2260.051 of the Texas

Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the OAG if the parties are unable to resolve their disputes as described above.

Notwithstanding any other provision of this Contract to the contrary, unless otherwise requested or approved in writing by the Board, the Contractor shall continue performance and shall not be excused from performance during the period any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

- C. Excess Obligations Prohibited; Non-Appropriation of Funds; Legislative Action. The Contractor acknowledges that the ability of the Board to make payments under the Contract is contingent upon the continued availability of funds. The Contractor further acknowledges that funds may not be specifically appropriated for the Contract and the Board's continual ability to make payments under the Contract is contingent upon the funding levels appropriated to the Board. The Board will use all reasonable efforts to ensure that such funds are available. The Contractor agrees that if future levels of funding for the Board are not sufficient to continue operations without any operational reductions, the Board, in its discretion, may terminate the Contract or a pending order under the Contract, either in whole or in part. In the event of such termination, the Board will not be considered to be in default or breach under the Contract, nor shall it be liable for any further payments ordinarily due under the Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The Board shall make best efforts to provide reasonable written advance notice to the Contractor of any such Contract or order termination. In the event of such a termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination, either on the particular order if an order is being terminated, or the Contract, if the Contract is being terminated. The Board shall be liable for payments limited only to the portion of work the Board authorized in writing and which the Contractor has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.
- D. Governing Law and Venue. This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under this Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the Board.
- E. Indemnification. CONTRACTOR SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE STATE OF TEXAS AND THE BOARD, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS OF CONTRACTOR OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY CONTRACTOR WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND CONTRACTOR MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. CONTRACTOR AND THE BOARD AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.

F. Confidentiality; Property Rights; and the Texas Public Information Act.

1. For purposes of the Contract, the term "Work" is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the Contract. The Contractor agrees to keep all information to which it is privy under the Contract confidential, privileged and protected from disclosure, unless the Contractor obtains the prior written consent of the Board. Further, any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials prepared by the Contractor in the performance of its obligations under the Contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Contractor upon completion, termination, or cancellation of the Contract.
2. Contractor agrees to keep all information to which it is privy under the Contract confidential, privileged, and protected from disclosure, unless the Contractor obtains the prior written consent of the Board. Contractor will indemnify and hold harmless the State of Texas, its officers and employees, and the Board, its officers and employees for any claims or damages that arise from the disclosure by Contractor or its subcontractors of information held by the Board. Further, any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials prepared by Contractor in the performance of its obligations under the Contract shall be the exclusive property of the State of Texas and all such materials shall be delivered to the State by the Contractor upon completion, termination, or cancellation of the Contract. Contractor may, at its own expense, keep copies of all its writings for its personal files. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than the performance of Contractor's obligations under the Contract without the prior written consent of the Board.
3. Contractor understands that the Board will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with the Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Contractor is required to make any information created or exchanged with the State pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

G. State Auditor's Right to Audit. Pursuant to Section 2262.154 of the Texas Government Code, the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under this Contract or indirectly through a subcontract under this Contract. The acceptance of funds directly under this Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. The Contractor will ensure that this Section concerning the authority to audit funds received indirectly by subcontractors through the Contractor and the requirement to cooperate is included in any subcontract it awards, should subcontracting be authorized. The Contractor further agrees to cooperate fully with the State Auditor's Office in the conduct of the audit or investigation, including providing all records requested. Additionally, the State Auditor's Office shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, audit documentation, and records of the Contractor relating to this Contract.

H. Technology Access Clause. Contractor expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Contractor represents and warrants to the Board that the technology provided to the Board for purchase is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of:

- providing equivalent access for effective use by both visual and non-visual means;
- presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and
- being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired.

For purposes of this Section, the phrase “equivalent access” means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.

In accordance with Section 2157.005 of the Texas Government Code (repealed by Acts 2005, 79th Legislature, ch. 750, § 2(a), eff. September 1, 2006), the Technology Access Clause contract provision remains in effect for any contract entered into before September 1, 2006.

- I. Terms and Conditions Attached to Response. Any terms and conditions attached to Contractor’s Response will not be considered unless specifically referred to in the Response.
- J. Agency’s Right to Audit. - K. Assignment. Neither Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without the prior written consent of the other Party, and any attempted or purported assignment, transfer or delegation thereof without such consent shall be null and void. Notwithstanding the foregoing, upon prior written notification to the other Party, either Party may assign this Contract or assign, transfer or delegate, in whole or in part, any of its interest in, or rights or obligations under, this Contract without such prior written consent to: (1) a successor in interest (for the Board, another state agency as designated by the Texas Legislature) or (2) a subsidiary, parent company, or other entity in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets.
- L. Binding Effect. This Contract shall be binding upon and shall inure to the benefit of the Board and Contractor and to their representatives, successors, and assigns.
- M. Change in Law and Compliance with Laws. Contractor shall comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products required by the Contract to the State of Texas, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the Contract. The Board reserves the right, in its sole discretion, to unilaterally amend the Contract prior to award and throughout the term of the Contract to incorporate any modifications necessary for the Board’s compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.
- N. Damage to Government Property. In the event of loss, destruction, or damage to any Board or State of Texas property by Contractor or Contractor’s employees, agents, subcontractors, and suppliers, Contractor shall be liable to the Board and the State of Texas the full cost of repair, reconstruction, or replacement of the lost, destroyed, or damaged property. Contractor will reimburse the Board and the State of Texas for such property damage within ten (10) calendar days after Contractor’s receipt of the Board’s notice of amount due.

- O. Discounts. If Contractor at any time during the term of the Contract provides a discount on the final contract costs, Contractor will notify the Board in writing ten (10) calendar days prior to the effective date of the discount. The Board will generate a Purchase Order Change Notice and send a revised Purchase Order to the Contractor.
- P. Electrical Items. All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from Underwriters Laboratory (UL), Factory Mutual Resource Corporation (FMRC), or National Electrical Manufacturers Association (NEMA).
- Q. Force Majeure. Neither Contractor nor the Board shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed, provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.
- R. Independent Contractor. The Contractor is not an employee of the Board, and as such, is responsible for payment of any federal taxes to be paid to the federal government attributable to the payments made under this Contract. Furthermore, the Contractor is not eligible for any fringe benefits due to state employees. Contractor and Contractor's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under this Contract. Neither the Board nor Contractor is an agent of the other and neither may make any commitments on the other party's behalf. Should Contractor subcontract any of the services required in this Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract. Contractor shall have no claim against the Board for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. This Contract shall not create any joint venture, partnership, agency, or employment relationship between Contractor and the Board.
- S. License Grant. Contractor hereby grants to the Board a non-exclusive, perpetual, irrevocable, worldwide, transferable, fully paid, royalty-free, right and license: (a) to reproduce, modify, distribute, store, publicly perform, publicly display, create derivative works of, and otherwise exploit the deliverables, in each case without any restrictions and without accounting to Contractor; and (b) to sublicense any or all such rights to third parties.
- T. Limitation on Authority. Contractor shall have no authority to act for or on behalf of the Board or the State of Texas except as expressly provided for in this Contract. No other authority, power or use is granted or implied. Contractor may not incur any debt, obligation, expenses, or liability of any kind on behalf of the Board or the State of Texas.
- U. No Implied Waiver. No provision of the Contract shall constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the Board as an agency of the State of Texas or otherwise available to the Board. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities detailed in the contract or otherwise available to the Board by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel.
- V. Non-Waiver of Rights. Failure of a Party to require performance by another Party under the Contract will not affect the right of such Party to require performance in the future. No delay, failure, or waiver of either Party's exercise or partial exercise of any right or remedy under the Contract operates to limit, impair, preclude, cancel,

waive, or otherwise affect such right or remedy. A waiver by a Party of any breach of any term of the Contract will not be construed as a waiver of any continuing or succeeding breach.

- W. No Third-Party Beneficiaries. The Contract is made solely and specifically among and for the benefit of the parties named herein and their respective successors and assigns, and no other person shall have any right, interest, or claims hereunder or be entitled to any benefits pursuant to or on account of the contract as a third-party beneficiary or otherwise.
- X. Property Rights. For purposes of the Contract, the term “Work” is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services provided under the Contract. The Board and the Contractor intend this agreement to be a Contract for services and each considers the Work and any and all documentation or other products and results of the services to be rendered by Contractor to be a work made for hire. Contractor and Contractor’s employees will have no rights in or ownership of the Work and any and all documentation or other products and results of the services or any other property of the Board.

Contractor acknowledges and agrees that the Work (and all rights therein) belongs to and shall be the sole and exclusive property of the Board. If for any reason the Work would not be considered a work-for-hire under applicable law, Contractor does hereby sell, assign, and transfer to the Board, its successors and assigns, the entire right, title and interest in and to the copyright in the Work and any registrations and copyright applications relating thereto and any renewals and extensions thereof, and in and to all works based upon, derived from, or incorporating the Work, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Contractor agrees to execute all papers and to perform such other property rights, as the Board may deem necessary to secure for the Board or its designee the rights herein assigned.

In the event that Contractor has any rights in and to the Work that cannot be assigned to the Board, Contractor hereby grants to the Board an exclusive, worldwide, royalty-free, irrevocable, and perpetual license to directly and indirectly reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, such rights to make, have made, use, sell and offer for sale any products developed by practicing such rights, and to otherwise use such rights, with the right to sublicense such rights through multiple levels of sublicenses. No later than the first calendar day after the termination or expiration of the Contract or upon the Board’s request, Contractor shall deliver to the Board all completed, or partially completed, Work and any and all documentation or other products and results of the services. Failure to timely deliver such Work or any and all documentation or other products and results of the services will be considered a material breach of the Contract. Contractor will not make or retain any copies of the Work or any and all documentation or other products and results of the services without the prior written consent of the Board.

- Y. Records Retention. Contractor shall maintain and retain all records relating to the performance of this Contract, including supporting fiscal documents adequate to ensure that claims for Contract funds are in accordance with applicable State of Texas requirements. These records will be maintained and retained by Contractor for a period of seven (7) years after the Contract expiration date or until all audit, claim, and litigation matters are resolved, whichever is later.
- Z. Secure Erasure of Hard Disk Capability. All equipment provided to the Board by Contractor that is equipped with hard disk drives (i.e., computers, telephones, printers, fax machines, scanners, multifunction devices, etc.) shall have the capability to securely erase data written to the hard drive prior to final disposition of such equipment, either at the end of the equipment’s useful life or the end of the related services agreement for such equipment, in accordance with 1 TAC Chapter 202.

- AA. Severability. If any provision of the Contract is construed to be illegal, invalid or unenforceable, such construction will not affect the legality, validity or enforceability of any of its other provisions. It is the intent and agreement of the parties to this Contract that that this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal, and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal, and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.
- BB. Sovereign Immunity. The Parties expressly agree that no provision of the Contract is in any way intended to constitute a waiver by the Board or the State of Texas of any immunities from suit or from liability that the Board or the State of Texas may have by operation of law.
- CC. Subcontractors. Contractor must perform the Contract with its own resources and those subcontractors identified in the Contractor's HUB Subcontracting Plan. Contractor may not subcontract any or all of the work and/or obligations due under the Contract without prior written approval of the Board. Subcontracts, if any, entered into by the Contractor shall be in writing and be subject to the requirements of the Contract. Should Contractor subcontract any of the services required in the Contract, Contractor expressly understands and acknowledges that in entering into such subcontract(s), the Board is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract.
- DD. Survival. Expiration or termination of the Contract for any reason does not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.
- EE. Taxes. Purchases made for State of Texas use are exempt from the State Sales Tax and Federal Excise Tax. The Board will furnish Tax Exemption Certificates upon request. Contractor represents and warrants that it shall pay all taxes or similar amounts resulting from the Contract, including, but not limited to, any federal, State, or local income, sales or excise taxes of Contractor or its employees. The Board shall not be liable for any taxes resulting from the Contract.
- FF. Termination for Cause. If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any terms or conditions of the Contract, the Board may, upon written notice of default to the Contractor, immediately terminate all or any part of the Contract. Termination is not an exclusive remedy, but will be in addition to any other rights and remedies as provided in equity, by law or under the Contract. The Board may exercise any other right, remedy, or privilege which may be available to it under applicable law of the state and any other applicable law or may proceed by appropriate court action to enforce the provisions of the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless the Board notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall be liable for all costs and expenses, including court costs, incurred by the Board with respect to the enforcement of any of the remedies listed herein.
- GG. Termination for Convenience. The Board reserves the right to terminate the Contract at any time, in whole or in part, without cost or penalty, by providing thirty (30) calendar days' advance written notice, if the Board determines that such termination is in the best interest of the State. In the event of such a termination, the Contractor must, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. The Board shall be liable only to the portion of work the Board authorized in writing and which Contractor has completed, delivered to the Board, and which has been accepted by the Board. All such work shall have been completed, in accordance with Contract requirements, prior to the effective date of termination. The Board shall have no other liability, including no liability for any costs associated with the termination.

HH. Use of State Property. Contractor is prohibited from using State Property for any purpose other than performing the services authorized under the Contract. State Property includes, but is not limited to, the Board's office space, identification badges, Board information technology equipment and networks (e.g., laptops, portable printers, cell phones, iPads, external hard drives, data storage devices, any Board-issued software, and the Board's Virtual Private Network (VPN client)), and any other resources of the Board. Contractor shall not remove State Property from the continental United States. In addition, Contractor may not use any computing device to access the Board's network or e-mail while outside of the continental United States. Contractor shall not perform any maintenance services on State Property unless the Contract expressly authorizes such services. During the time that State Property is in the possession of Contractor, Contractor shall be responsible for (i) all repair and replacement charges incurred by the Board that are associated with loss of State Property or damage beyond normal wear and tear and (ii) all charges attributable to Contractor's use of State Property that exceeds the Contract scope. Contractor shall fully reimburse such charges to the Board within ten (10) calendar days of Contractor's receipt of the Board's notice of amount due. Use of State Property for a purpose not authorized by the Contract shall constitute breach of contract and may result in termination of the Contract and the pursuit of other remedies available to the Board under the Contract, at law, or in equity.

II. Waiver of Consequential Damages. NOTWITHSTANDING ANY OTHER PROVISION TO THE CONTRARY HEREIN, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFITS, ANTICIPATED OR OTHERWISE, OR LOSS OF REVENUES IN CONNECTION WITH OR ARISING OUT OF, OR IN CONNECTION WITH, THE SUBJECT MATTER OF THIS CONTRACT.

JJ. Testing and Inspection. The Texas Board of Nursing may test and inspect goods and services purchased under the Contract to ensure compliance with the specifications of this RFP and the Contract. The Texas Board of Nursing may also test and inspect goods and services before they are purchased under the Contract.

Authorized Texas Board of Nursing personnel must have access to the Contractor's place of business for the purpose of inspecting the goods. To the extent practical, the Texas Board of Nursing's inspections will not disrupt the Contractor's daily operations.

KK. Contractor's Continued Performance. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the Texas Board of Nursing, Contractor must continue performance and will not be excused from performance during the period any breach of contract claim, dispute or mediation is pending under either of the above processes. However, Contractor may suspend performance during the pendency of such claim or dispute if Contractor has complied with all provisions of Section 2251.051 of the Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

LL. Renegotiation of Price. The Texas Board of Nursing will monitor market prices and prices paid by other governmental entities or other states for substantially similar goods and services during the term of the Contract. If the Texas Board of Nursing determines that substantially similar goods and services are selling for meaningfully lower prices than the prices established in the Contract, the Texas Board of Nursing may initiate price renegotiations with Contractor and amend the Contract to reflect a new, lower price, if agreed to by the Parties.

MM. No Debt Against the State. The Contract does not create any debt by or on behalf of the State of Texas.

NN. Travel. Contractor is responsible for any travel or per diem required to perform its obligations under the Contract. All travel and per diem that the state requests in addition to what the Contract requires the Contractor to provide at the Contractor's expense will be paid in accordance with Texas Government Code, Chapter 660.

OO. Key Personnel Change Management. Contractor agrees that the key personnel assigned to the Contract will remain available throughout the Contract as long as that individual is employed by Contractor or unless the Board agrees to a change in the key personnel.

PP. Name Changes and Organizational Changes. Contractor must provide the Board with written notice of all name changes and organizational changes relating to the Contractor, including any merger, acquisition, or sale, no later than ten (10) business days of such change. In its notice, Contractor must describe the circumstances of the name change or organizational change; state its new name; provide the new Tax Identification Number; and describe how the change will impact its ability to perform the Contract. If the change entails personnel changes for personnel performing the responsibilities of the Contract for Contractor, Contractor must identify the new personnel and provide resumes to the Board, if resumes were originally required by the RFP. The Texas Board of Nursing may request other information about the change and its impact on the Contract, and Contractor must supply the requested information within five (5) working days of receipt of the request. All written notifications of organizational change must include a detailed statement specifying the change and supporting documentation evidencing the continued right of Contractor or successor entity, as applicable, to maintain its status as a party to this Contract.

The Board may terminate the Contract due to any change that materially alters the Contractor's ability to perform the Contract. The Board has the sole discretion to determine if termination is appropriate.

QQ. Vendor Performance Tracking System. Contractor understands that the Board is required to report vendor performance through the Vendor Performance Tracking System ("VPTS") on every purchase over \$25,000 in the manner prescribed by the Comptroller. The Board, at its discretion, may also report vendor performance on purchases under \$25,000.

RR. Amending the Contract. All alterations, additions, or deletions of the Contract must be in writing and mutually agreed upon by both Parties and put into effect with a Contract Amendment issued by the Texas Board of Nursing. Contractor will not be entitled to payment for any additional services, work, or products that are not authorized by a properly executed Contract amendment.

SS. Order of Precedence. In the event of any conflict or contradiction between or among these documents, the Contract, as modified by any Contract Amendments, controls over the RFP and the Proposal. The RFP, as modified by any Addenda, controls over the Proposal.

TT. Headings. The headings contained in this Contract are for reference purposes only and shall not in any way affect the meaning or interpretation of the Contract.
