

Texas Board of Nursing
Eligibility and Disciplinary Committee Meeting
Tuesday, June 9, 2020
9:00 a.m. until all business is concluded
Telephonic Meeting

The Texas Board of Nursing posts this notice pursuant to the Texas Government Code §§551.041, 551.045, and 551.125.

On March 13, 2020, the Governor of the State of Texas certified COVID-19 as posing an imminent threat of disaster to the public health and safety and declared a state of disaster in all counties of Texas. On March 16, 2020, due to the declared COVID-19 emergency, the Governor of the State of Texas suspended certain provisions of the Texas Open Meetings Act that require government officials and members of the public to be physically present at a specified meeting location and authorized virtual and telephonic open meetings in an effort to reduce non-essential in-person contact. Further, on March 31, 2020, the Governor of the State of Texas issued Executive Order GA-14, requiring all Texans to minimize social gatherings and in-person contact, except when taking part in essential services or activities, until April 30, 2020. On April 12, 2020, the Governor of the State of Texas extended the state's disaster declaration indefinitely and continued to require Texans to minimize in-person contact and comply with the Governor's Executive Orders. Although the Governor of the State of Texas issued new directives on April 27, 2020, relating to re-opening certain portions of the state, those directives do not currently effect this Eligibility and Disciplinary Committee meeting.

The global pandemic of COVID-19 constitutes an emergency or urgent public necessity within the meaning of the Texas Government Code §551.045. Further, travel limitations are necessary to mitigate the risk of exposure to COVID-19 and render convening a quorum of the Texas Board of Nursing at one location difficult or impossible. Additionally, there is an urgent public necessity for the Texas Board of Nursing to carry out the functions and duties of the Board, pursuant to the Texas Occupations Code Chapter 301, including, but not limited to, licensing advanced practice registered nurses, registered nurses, and licensed vocational nurses, who are needed to provide patient care and ensure adequate staffing at healthcare facilities during the global pandemic of COVID-19. In addition, the Board needs to consider and resolve a number of pending disciplinary matters in order to ensure that its licensees are safe and competent to provide patient care during the global pandemic of COVID-19.

Accordingly, the Texas Board of Nursing will hold a public meeting, through its duly authorized Eligibility and Disciplinary Committee under 22 Tex. Admin. Code §211.6, and will proceed by telephone conference, as allowed under the Texas Government Code §551.125(b). The Board members of the Eligibility and Disciplinary Committee will attend by telephone. Members of the public wishing to attend the meeting may also attend by telephone.
