This data is produced by the Texas Board of Nursing (BON) from information voluntarily provided by nurses who hold a current Texas license. Statistical information regarding employment is requested at the time of licensure and at each renewal. Due to the fact that this data is voluntary and is only reviewed by the nurse every two years, the BON cannot ensure that the data accurately reflects the nursing workforce at a given point in time.

This report, or any portion thereof, may be used. The BON would appreciate being recognized as the source.
